We made a mistake in L. H. Battles' advertisement last week. He is selling handsome picture frames at 75 cents instead of \$1.75, as we had it last week. The frames are well worth \$1.75, but as they have only a few of them left he is closing them out at 75 cents each.

NEMAHA HAS A GHOST.

New Nemaha has a ghost. One of the good ladies of Nemaha saw it on Sunday. This ghost is different from the most of them, as it appears in daylight. The lady was expecting her son and his wife to spend the day with her. She heard a noise like some one walking on the porch. After waiting a few minutes the lady opened the door, expecting to see her son and his wife, but instead there stood a woman dressed in a long loose black robe. The lady of the house said "Good morning," and instantly the woman or ghost or whatever it was disappeared and has not been seen since. This is the story as it has been told to us.
